

Data Intake Report

Name: Cross selling recommendation

Report Date: 02/19/2025

Internship Batch: LISUM41

Data Intake BY: Kumkum Chakraborty

Data Reviewer By: Data Glacier

Tabular Data Details

Total Number of Observations: 13647309

Total numbers of File: 1

Total number of Features: 48

Base Format of The File: CSV

Size of The Data: 311MB

GitHub Repository: https://github.com/Kumkumch/Data_Analyst_Intern_in_Data_Glacier/tree/main/week_7

Proposed Approach: As a data analyst I will inspect the data and suggest what action bank can take to increase cross selling (without using ML)
